SILENT MOVIE

The Lion Tamer

a black and white movie show for all ages

Silent Movie - The Lion Tamer

THE LION TAMER is the latest in the silent movie repertoire of the award winning
Bash Street Theatre Co. from Penzance, Cornwall.

A melodrama full of action, pathos and silent comedy from a bygone era, THE LION TAMER
combines circus skills, slapstick comedy and an original musical score to bring you a black and
white movie show from the golden age of the silver screen.

A down-at-heel showman is rapidly running out of acts for his travelling circus when a stranger
arrives in town. When the lion tamer has an unfortunate accident, the newcomer is 'volunteered'
for the job - with comic and catastrophic results!

THE LION TAMER, inspired by the comic genius of Buster Keaton and Charlie Chaplin, has been
specially designed to tour village halls and small-scale theatres.

Bash Street Theatre has an international reputation for producing street theatre shows in the silent
movie genre. Their two previous productions CLIFFHANGER! and THE STATION have been
enjoyed by audiences of young and old alike at major festivals throughout the UK, and also in
Holland, Belgium, France, Germany, Poland, Spain and Italy during the past two years.

"Funny, clever, intricately designed,
a beautiful evocation of the Silent Movie genre."
